A note to parents about charging for classes. It has been our privilege to serve the Coeur d' Alene community for 15 years. Through this time, we offered our classes and summer camps for free. Because of sustainability issues and issues surrounding valuing our artists time, we are now offering a sliding scale for our classes. If for any reason, you're unable to pay please request a scholarship form by checking the box on the registration form. Please call or email with questions regarding fees or any other issues.

Thank you,
